

Jobs in Video Production – Key Learning

Use the notes to complete this key learning. You **MUST** read through the presentation to get the right answers, but you could also do some research on this topic.

Write your answers in the spaces provided.

1. Complete the table below to summarise what each person does and how they would use a storyboard. The first row has been done for you.

[10 marks]

Job	What they do	How they use a storyboard
Director	Direct the action Plan the film	To see how parts of the project fit together To plan how to organise the filming
Editor		
Camera operator		
Sound engineer		
Other crew members		
Location scouts		

2. Why are notes added to storyboards rather than just using sketches?

[3 marks]
