Burger Hut needs a logo

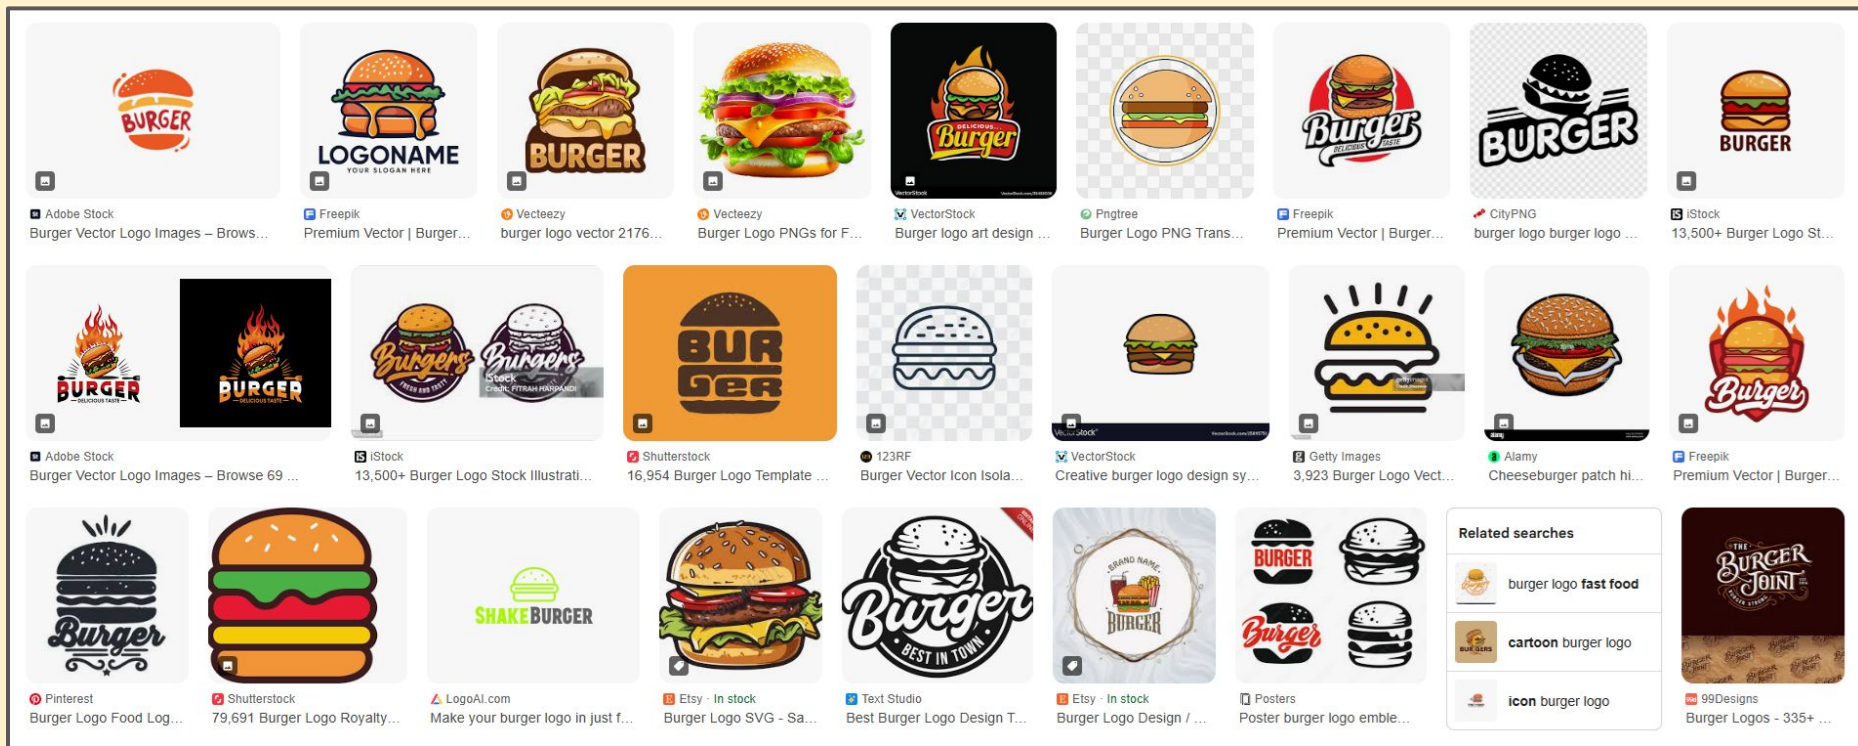

The logo will need to be a **vector graphic** so that it can be used at a range of sizes. It will need to be made of shapes, lines and text

Start by sketching **at least three** different ideas for a logo

Add notes to your sketches to show things like colour, text styles, what the shapes will be

Once you have **at least three** design sketches, decide on your final choice of design

Add writing to your sheet to explain **which** design you have chosen and **why** you chose it
