

Thinking about games

Make a list of all the games you've played in the last month...

Thinking about games

Thinking about games

Make a list of all the **computer** games you've played in the last month

Thinking about games

Make a list of all the **computer** games you've played in the last month

How about the last year?

Or the since you were 8?

Or ever?

Thinking about games

- **What** platforms do we use to play games?
- **Who** do we play games with?
 - Where are these people?
- **Why** do we play games?
