

# True or False...

How much do you know about how to use our computers properly?

# True or False...

1. Every time you log in to the school computers you click a button that says that you agree to the “Acceptable Use Policy” (AUP)

# True or False...

1. Every time you log in to the school computers you click a button that says that you agree to the "Acceptable Use Policy" (AUP)

True

# True or False...

2. You have never read the “Acceptable Use Policy” (AUP)

# True or False...

2. You have never read the “Acceptable Use Policy” (AUP)

You might have done, but most people haven't

# True or False...

3. You can ask to read the “Acceptable Use Policy” (AUP)

# True or False...

3. You can ask to read the “Acceptable Use Policy” (AUP)

You don't need to - there's a link from the Student homepage

# True or False...

4. The “Acceptable Use Policy” says that you must do whatever your teacher tells you to

# True or False...

4. The “Acceptable Use Policy” says that you must do whatever your teacher tells you to

Not quite, but if it's to do with computers it more or less says that

# True or False...

5. The “Acceptable Use Policy” says that if you damage a school computer you will have to pay for the damage

# True or False...

5. The “Acceptable Use Policy” says that if you damage a school computer you will have to pay for the damage

False - but it says that you must report the damage. If we know it was you who damaged something you might be asked to pay for it

# True or False...

6. Every website you go on is recorded by the school

# True or False...

6. Every website you go on is recorded by the school

True. Even if you're trying to be clever

# True or False...

7. The school doesn't block any websites. You're expected to use your common sense what websites to go on

# True or False...

7. The school doesn't block any websites. You're expected to use your common sense what websites to go on

False - we block lots of websites for all sorts of reasons

# True or False...

8. The school can check what you're doing on a school computer at any point

# True or False...

8. The school can check what you're doing on a school computer at any point

True. We can see everything that you do and sometimes the computer system tells us that you're doing something we might need to check

# True or False...

9. The school can see all of your e-mails, even ones that you have deleted

# True or False...

9. The school can see all of your e-mails, even ones that you have deleted

True. All of them. Every single one

# True or False...

10. Everything you type on a school computer is checked by someone to make sure that it's safe

# True or False...

10. Everything you type on a school computer is checked by someone to make sure that it's safe

False. A person couldn't do that, but we use software that tells us if you're typing things that we might need to look at. And it takes an image of it

# True or False...

The AUP is needed to keep people safe

The AUP needs to be updated

The AUP needs to be easier to read
