Micro:bits – assessment

Produce a gallery of the work you produce

This must include **screenshots** of the programs you write and **writing** to describe and explain them

Micro:bits – assessment

- work is shared successfully
- produced as a PowerPoint (not ODP)
- sensible filename
- title slide introducing the topic
- consistent colours, text size, font etc…
- layout and formatting effective
- screenshots used – cropped, suitable size, not distorted
- writing added – describes and explains key ideas
