

CD Covers

In a list of the 50 “greatest” album covers*, 23 make really **bold** use of colour.

play

CD Covers

To create a “great” album cover making bold use of colour, you need to:

- square crop the image
- know how to manipulate colour
- know how to be selective with colour
- know how to add a colour filter to an image
- add text

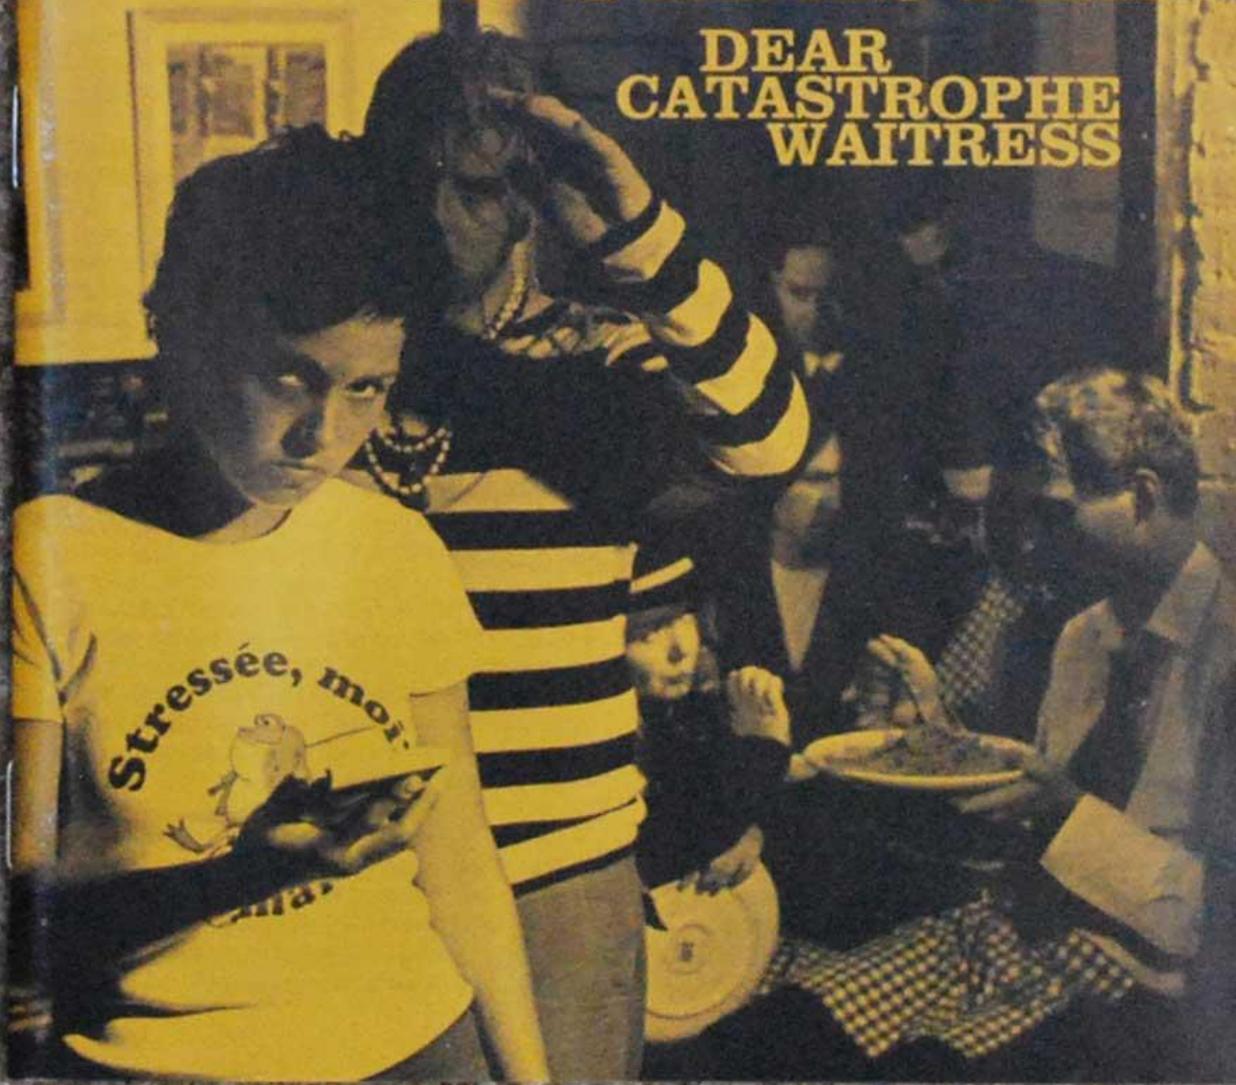

CD Covers

Colour can be used to help create a **visual identity** for a band.
