

Guitare background

IMPORTANT TO DO FIRST:

Object > Create > From Background

Use the **Magic Wand Tool** – find it under the Rectangle Mask Tool

Try:

- Tolerance = 10
- Tolerance = 50
- Tolerance = 25
- Tolerance = 20
- Tolerance = 15
- Tolerance = 5

Which works best?
Pay attention to the left edge of the guitar. What Tolerance works?
Do you need to use the Brush Tool to tidy up?
