

# Programming micro:bits

Check you're logged in  
to OneDrive

- Micro:bit assessment

## Do now:

1. Open your PowerPoint document
2. Today's lesson is an assessment. You have five minutes to look through your slides to prepare.
3. Look at the **key words** and know their meanings
4. Know how **Block editor** code works
5. Know how **Python code** works
