

Year 9 IDMP

This is your final lesson on your IDMP project on Stowmarket. In order of importance:

1. Work on the **content** for the IDMP PowerPoint slides
 - a. Remember: **no** copy and paste of text
 - b. Still images - use the Wikimedia link on the website
2. Keep working on designing/making your **video**
 - a. Export and then insert into your PowerPoint
3. Design a **logo** for Stowmarket. Create a series of concept sketches (see the examples) for ideas for logos that you could create
